In case of inclement weather: We follow the Falmouth Public School system for the first 48 hours - if the schools are still closed after two days, the board makes a decision in consultation with the director. If there is a 2 hour delayed opening we will open at 10:30. If there is an early release we will close immediately, at 1:00 or right after nap depending on when the closure starts.

During school vacation weeks and summer break, we defer to Marine Biological Laboratories (MBL) however, in a MBL delayed opening, the day care will be closed.

Parent should go to the Falmouth Public School website to check for any "alerts" (MBL website during FPS vacation weeks or summer break) or listen to WMVY (92.7 FM), WQRC (99.9 FM) or WCIB (101.9 FM) for any announcements.

The WHDCC has a contingency plan for emergency situations, which is available to you upon request.
